Reading is the most important human activity anyone can engage in. Reading allows one to explore the ocean floor, see into the sky and learn what is inside our bodies. Reading can teach a man how to build a home or how to save a person life if that person is choking. Reading opens the door to a new life if you will just start with one book.

**PICK UP A BOOK AND READ TODAY AND SEE IF YOUR FUTURE IS NOT BRIGHTER TOMORROW.**

Reading opens the door to knowledge. Knowledge opens the door to the imagination and imagination opens the doors to a better life. Change your life for the better and begin reading. Men and women cannot live better without changing the circumstances of their life and they cannot change the circumstances of their lives without new and reliable information. Reading is your path to new and reliable information. Your mood will change with reading. Hope will abound in your spirit when you read. A better life will seem possible with reading. Take time out from your busy day and read a book.

### THE KEY TO LIFE IS CHANGE.

If you want a good life then you must be capable and willing to change. If I ask you, do you want people to like you or do you want a better job you will probably say yes? If you do say yes to these questions and you strive for the results then you must be capable of change. For it is a given fact that if you change the way you think and you will change your life

**THERE IS ONE CHANGE YOU MUST ACCEPT THAT YOU HAVE TO MAKE IN LIFE IF YOU TRULY WANT TO SURVIVE AS A HUMAN BEING AND THAT CHANGE IS READING.**

Even if you are 65 years old you need to learn to read. Take a deep breath walk into a library and ask a librarian where you go to learn to read. It takes courage to live. It takes tenacity to live and it takes bravery to live. You possess all three of these qualities so all you have to do now is learn to read so your can express theses qualities to the world. As you learn to read children will follow in your footstep and they will learn to read. As you demonstrate bravery so shall your grand children demonstrate bravery.
